

## 122. Grundschule "Am Palitzschhof"

### **Network meeting for migrated parents**

#### **INVITATION**

Dear parents,

You as parents are very important for the children. You are the supporter in the daily life and the education process of your children.

Migrated families are often in a life condition with language challenges and a lack of informations about the german school system.

The network is an idea to support parents. We offer parents a space and time for a interchange between school and parents. The participation is voluntary.

#### **Who we are:**

- Rajwa Alkhateb, educational professional from Hort
- Michael Hahn, school social worker

#### **Wir möchten:**

- dissolve the barriers between parents and school
- strengthen the capacities and resources of the parents
- support parents in fulfill their rights and duties in the school
- built communication between parents and parents with the school
- listen and manage issues of parents

#### **We invite you for the next meeting:**

- there will be coffee and tea
- we organise translater in your language
- we organise childcare
